

### **Broken Appointments**

As a courtesy to our office, we require a two (2) working day notice for all appointment cancellations/reschedules. A last minute cancellation or failed appointment means that the appointment time cannot be offered to another patient who may be in need of treatment. Reserving time for your family is important to us, as your time is important to you. Should you need to cancel your appointment without being able to give us two (2) working day notice, a broken appointment fee may be assessed to your account.
